~ Aakasa is discussing content & some history
① with dancers

~ it's the first time we're seeing ~~different~~
designed work → two dancers' part of the
show → FIGHT SCENE?

② ↪ two girls dancing

~ next 3 people dance (2 guys, 1 girl)
They keep pushing each other around

③

~ orange hair & big hair guy:

↪ like a child's game, cropping
over each other, criss game,
standing on 'each other', all
carries over.

↪ What are they representing?

↪ change of power?

NEXT: reviewing scenarios?

↪ discussing silhouettes

- one of the dancers came up with a
man & he's teaching it to the others

↪ Aakasa stepped back, he's not
intervening in the process.

↪ he helps them now
